

HERBALIFE®

Formula 2 Multivitamin complex

Food supplement with
vitamins and minerals

Best before and lot number:
See base of container

90 TABLETS
NET WEIGHT: 126 g **e**

Use **Multivitamin complex** to help supplement your diet, to ensure you obtain the recommended daily nutrients. Multivitamin complex includes nutrients such as calcium, phosphorus, vitamin A and vitamin C. Calcium and phosphorus are needed for the maintenance of normal bone health and teeth. Vitamin A helps maintain the normal function of the immune system and vitamin C contributes to the reduction of tiredness and fatigue.

RECOMMENDED USE: 1 tablet three times daily with meals. Use this product within a balanced and varied diet as part of a healthy, active lifestyle.

Store with lid closed in a cool, dry place.

30-day money-back guarantee. This guarantee does not affect your statutory rights. This exclusively formulated product is only available through Herbalife Independent Distributors.

NOTICE: Do not exceed the recommended daily dose. Food supplements are intended to supplement the diet and should not be used as a substitute for a varied diet. Store out of reach of young children.
